

PRODUCT BULLETIN

CAM2 Windshield Washer Fluid Concentrate

Product # 404

CAM2 Windshield Washer Fluid Concentrate is a super-concentrated, detergent free, anti-freeze solution formulated to clean windshields of automobiles. The streak free formula contains an aliphatic alcohol to prevent freezing at temps down to -70°C making especially suitable for use in extreme cold.

Features/Benefits

- Contains aliphatic alcohol to prevent freezing
- Removes Road Grime and Bug Splatter
- Clears ice and frost
- Soluble in water
- Does not harm paint, rubber or plastic
- Pre diluted to meet low temperature protection requirements
- Usable year round

Applications

- Ready to use or can be diluted to appropriate freeze protection for warmer climates (see dilution chart)
- Can be used in any windshield washer system which requires it
- Can be used to unfreeze locks
- Can be used as a spot cleaner to remove ice from automotive glass
- Maintain full vehicle reservoir levels to insure product is available when needed

WWF Concentrate Dilution Chart

Dilution Ratio	Freeze Temp, °C
Undiluted	-70
1:1	-35
2:1	-18

Typical Characteristics

Color	Blue
Odor	Alcohol
Specific gravity	.862
Solubility in H ₂ O	Complete
Active Ingredient	Methanol
