CAM2 Blue Blood Outboard 2-Cycle Marine Oil

CAM2 Blue Blood Outboard 2-Cycle Marine Oil is a premium quality, high performance formulation of 100% synthetic base oils and a sophisticated additive package that meets or exceeds the performance, protection and service requirements for ashless, high flash 2 cycle engine oil for use in modern, high performance water cooled and air cooled two stroke cycle engines.

**FEATURES**
- Ashless additive system designed for today’s 2 cycle engines
- Protects against ring sticking and cylinder wall scuffing
- High flash solvent means easy mixing with gasoline and
- Greater margin of safety in storage and handling.
- Protects against rust, wear, corrosion, and exhaust port plugging
- Reduces spark plug fouling and surface ignition
- Can be used at any fuel-to-oil ratio specified by OEM

**APPLICATIONS**
Blue Blood Outboard 2-Cycle Marine Oil is designed for use in:
- Meets requirements of National Marine Manufacturers Association (NMMA) TC-W3, TC-W II, TC-W
- Suitable for applications calling for API Service Category TC
- Use in 2 cycle: outboard engines, snowmobiles, motorcycles, all-terrain vehicles, lawn mowers, golf carts, chain saws, and other two stroke cycle engines
- Where ashless oils are recommended.
- NOT suitable for 4 stroke cycle engines
- Misapplication may cause severe performance problems

**TYPICAL CHARACTERISTICS**

<table>
<thead>
<tr>
<th>Properties</th>

</table>

The above characteristics are typical of current production. While production will conform to CAM2’s specification, slight variations may occur and do not affect performance.

TC-W3™ Reg #: RL-14116U

Special handling, notices or warnings
- High pressure aerosol handle with care
- Use in well ventilated area
- Avoid contact with eyes
- Avoid prolonged or repeated contact with skin
- DO NOT INDUCE VOMITING
