THE NAME MEANS....
RACE PROVEN QUALITY
For Decades CAM2 has shown a tradition of performance and leadership in the automotive lubricants industry. CAM2 was the first multi-viscosity motor oil to be sanctioned by USAC for championship racing. CAM2 was the first multi-viscosity oil to win the Indy 500 and since then our premium, performance formulated products have successfully completed over 300,000 miles on the track under all types of severe high performance racing conditions. We know that you are not driving your vehicles under these high stress and demanding conditions, but we use these successes on the track to make a product that you can feel confident in entrusting your vehicle to.

CAM2’s Race Proven Motor Oils meet and exceed all the requirements of all major domestic and international car manufacturers and are ideal for today’s sophisticated and technologically advanced engines even under the toughest conditions. CAM2 Motor Oils are licensed by the API and ILSAC.

WHAT IS…
300,000 MILES LONG, LASTS 10 YEARS, AND BRINGS CUSTOMERS BACK EVERY 5000 MILES?

ENGINE PROTECTOR LIMITED WARRANTY PROGRAM

We Can Help You
Keep Your Customers
Coming Back!

With the
ENGINE PROTECTOR
LIMITED WARRANTY
PROGRAM

Your Customers Receive a Great Engine Protection Plan!

When your customers use Quality CAM2 Motor Oil and have their oil changed every 4 months or 5,000 miles they will receive* a Free 300,000 Mile/10 Year Limited Engine Protection Plan from CAM2.

How the CAM2 Engine Protector Program Works

Customers who qualify and use CAM2 Motor Oil exclusively may be covered against certain oil-related engine problems for 300,000 miles or 10 years, whichever comes first.

*To be Eligible the Customer’s Vehicle Must:

1. Have been manufactured within the last 48 months.
2. Have been owned or leased less than 18 months by current owner.
3. Have 75,000 miles or less.
4. Have been regularly serviced in accordance with owner’s manual specifications (severe driving conditions).

Free Registration Online at www.CAM2.com

Qualified customers complete a CAM2 Engine Protector application online and include your CAM2 Authorized Installer Number. Each qualified applicant will receive confirmation of their enrollment in the CAM2 Engine Protector Program.

* See the CAM2 Engine Protector Limited Warranty Statement for complete coverage

To Participate:

To be a qualified CAM2 Engine Protector Installer you must enroll online at www.CAM2.com or fill out the participant form and mail or fax it to the CAM2 Warranty Center.

You will receive a complete CAM2 Engine Protector Kit including customer application forms. Oil change reminder static stickers and CAM2 Engine Protector Limited Warranty Banners are provided at a nominal charge.

Customers then register with your service center or online through www.CAM2.com and come back every 4 months or 5,000 miles to maintain the CAM2 Engine Protector Limited Warranty coverage by having their engine oil changed using CAM2 Motor Oil.

That’s It!

We at CAM2 wish to thank you for your continued business. As a valued CAM2 Dealer we are pleased to provide you with this warranty program as a marketing tool to improve your company’s competitive position in the automotive aftermarket.
