

## PRODUCT BULLETIN

# CAM2 Cleaner & Degreaser

Product # 415

**CAM2 Cleaner & Degreaser** is a powerful blend of surfactants that quickly penetrate dirt, grease, grime, and oil. Its special deep cleansing formula separates, entraps, and then removes grime from almost every surface. The non-toxic formula is readily biodegradable, non-flammable, and free of VOC's. More concentrated than most leading brands for more cleaning power in one bottle. Safe for use in manual, mechanical, and pressure washing systems. Effectively cuts grease down to 20:1 dilution ratio.

### APPLICATIONS

- Use CAM2 Cleaner & Degreaser to remove grease, oil, grime, tar, and dirt from most surfaces
- Heavy buildup may require scrubbing
- Saturate area to be treated
- Let soak for 3-5 mins
- Spray off with water
-
